

January 28—February 3

- Our congregation would be inspired to live with a passion for Jesus and a desire to be totally committed to Him
- God will prepare both the associate pastor and our church for this calling
- Pray for strength and good health for our pastors and their families.
- On a Sunday morning, during the service pray that God will give Pastor Jedidiah and Pastor Lee exactly the words needed to touch people's hearts and that those who hear will respond to God's word with expectant hearts.
- God will draw our middle schoolers to him so strongly it overshadows the culture that draws them.
- Pray for the Children's Ministry that God will guide Andrea and Ruth Ann in developing new programs for the kids and their parents.
- God will give our church council clear vision and continued spiritual quietness so they can clearly hear God's quiet whisper of direction.
- Patience in the waiting for an associate pastor
- Clarity in the development of a new Adult Spiritual Growth study that inspires us to seek after God
- Pray for an increase in connectedness for the youth currently involved with the high school ministry. That friendships and relationships would be more deeply developed amongst all the youth.
- Pray that the high school youth experience personal touches of God in their every day lives. That we would begin to hear testimonies of His hand at work. Pray for open eyes that they may see and recognize His touch as such, and that they would learn to attribute these things to God alone. Pray for boldness for the youth to begin sharing their testimonies within our group/church, as well as within their own families and circles of influence.
- Pray the children's ministry would maintain its pre Christmas numbers and have 100 or more kids each week.
- Pray the call committee would be encouraged and directed in the next steps of the process towards an eventual associate pastor.
- Stop into church on a Wednesday night, walk through the church praying silently for the students to absorb what they are learning and respond to God's love.
- Pray God will provide the funds for whatever he leads us to do.
- When you are at church, walk through the hallways as the children are in Sunday school praying God will plant seeds of faith, guide their teachers, and strengthen their parents.
- God will strengthen Matt and Krissy in youth ministry, guiding them, blessing their ministries, and providing them rest.
- God will provide nursery attendants who love children and have a heart to help these little ones grow in their awareness of God's love.
- Pray for an increase in committed and joyful volunteers to help with our ministries, tasks, and service.
- Pray what comes to your heart for Pastor Lee and for Barb's healing from back pain.
- Pray God will help us to grow in devotion to be a disciple (learners) of Jesus and place a natural draw in our hearts to help others grow in their faith.
