

February 11 - 17

- On a Sunday morning, pray for the congregation during the service to hear God's voice as he speaks to their hearts through the songs, message, and communion.
- Prayers for direction and movement in Outreach to guide us in the path God has planned.
- Pray for new volunteers for Sunday morning music at both services – 2 accompanists, 3 hymn leaders, 4 hymn selectors, 1 Pro Presenter operator.
- God will provide for Resurrection's financial needs with abundance.
- Pray for new volunteers for the worship center decorating team
- Pray for an increase in connectedness for the youth currently involved with the high school ministry. That friendships and relationships would be more deeply developed amongst all the youth.
- Guidance in our adult ministry programming that follows God's plan for Resurrection.
- Our congregation will desire to grow actively in their faith by engaging in Faith Journey studies
- God will draw our middle schoolers to him so strongly it overshadows the culture that draws them.
- Pray God will build a deep sense of trust in each heart helping each of us to trust him with our lives and our finances.
- Pray for more students attend our summer youth trips and camp and that their parents will be provided with the funds so they can go.
- Pray that the high school youth experience personal touches of God in their every day lives. That we would begin to hear testimonies of His hand at work. Pray for open eyes that they may see and recognize His touch as such, and that they would learn to attribute these things to God alone. Pray for boldness for the youth to begin sharing their testimonies within our group/church, as well as within their own families and circles of influence.
- Pray we find a new worship and music director with a passion that meets RLC's.
- Pray the faithful servants would be strengthened into 4 strong teams.
- Pray the children's ministry would maintain its pre Christmas numbers and have 100 or more kids each week.
- Pray for an increase in committed and joyful volunteers to help with our ministries, tasks, and service.
- Pray God will guide more people into a relationship with Christ who we can nurture in their faith at Resurrection
- Stop into church on a Wednesday night, walk through the church praying silently for the students to absorb what they are learning and respond to God's love.
- Pray for strength and good health for our pastors and their families.
- Pray God will help us to grow in devotion to be a disciple (learners) of Jesus and place a natural draw in our hearts to help others grow in their faith.
