

February 25—March 3

- Pray for physical and spiritual rest for our pastors.
- Pray parents will consistently bring their kids to Sunday school while growing in their faith in worship.
- Pray what comes to your heart for Pastor Lee and for Barb's healing from back pain.
- Pray that we may expand the high school programming through additional offerings of bible studies, worship experiences, retreats and more. That God would lead the programming and bring forth youth who are excited to go deeper in their experiences with the Lord. That the Holy Spirit would bring about a passion and sense of priority for the youth's faith. That God would provide energy and time for Krissy to lead or find leaders for these things as they begin to develop.
- God will provide nursery attendants who love children and have a heart to help these little ones grow in their awareness of God's love.
- Pray for the Children's Ministry that God will guide Andrea and Ruth Ann in developing new programs for the kids and their parents.
- Pray God will provide the funds for whatever he leads us to do.
- Pray God will help us to grow in devotion to be a disciple (learners) of Jesus and place a natural draw in our hearts to help others grow in their faith.
- Pray God will put a burning desire in the hearts of our people to grow deeper in love with Jesus and seek to become like him.
- When you are at church, walk through the hallways as the children are in Sunday school praying God will plant seeds of faith, guide their teachers, and strengthen their parents.
- Pray 8 people respond to the case for Christ and publicly give their lives to Jesus at the end of the series.
- God will strengthen Matt and Krissy in youth ministry, guiding them, blessing their ministries, and providing them rest.
- God will inspire our congregation to tithe so an associate pastor salary can be sustained
- Pray Resurrection continues to be a light to our community for Christ
- Pray for the new 'You'll Get Through This' sermon series that many will be invited by our members and there would be good participation in our small groups.
- On a Sunday morning, during the service pray that God will give Pastor Jedidiah and Pastor Lee exactly the words needed to touch people's hearts and that those who hear will respond to God's word with expectant hearts.
- Pray what comes to your heart for Pastor Jedidiah as a person and a pastor and his family.
- During the sermon, pray for the ears and eyes of the congregation to hear what God is speaking to them personally.
- Pray for the FPU program to be successful and one person or couple would be willing to create a testimony video to God's glory.
- Pray for new volunteers with Faithful Servants – 1 volunteer scheduler, 2 altar guild, 3 worship coordinators.
- Our congregation would be inspired to live with a passion for Jesus and a desire to be totally committed to Him
