

April 8—14

- God will give our church council clear vision and continued spiritual quietness so they can clearly hear God's quiet whisper of direction
 - Pray for Pastor Jo and Mike as they make the transition to Monticello and Resurrection
 - Pray that the high school youth experience personal touches of God in their every day lives. That we would begin to hear testimonies of His hand at work. Pray for open eyes that they may see and recognize His touch as such, and that they would learn to attribute these things to God alone. Pray for boldness for the youth to begin sharing their testimonies within our group/church, as well as within their own families and circles of influence
 - Pray for an increase in committed and joyful volunteers to help with our ministries, tasks, and service
 - Pray Resurrection continues to be a light to our community for Christ
 - God will provide nursery attendants who love children and have a heart to help these little ones grow in their awareness of God's love
 - Pray for the mental health of all our youth. We have multiple youth who have struggled with depression and suicidal thoughts/attempts. Please continue to pray over their minds that they would be filled with God's peace and the lies of the enemy would be thwarted and put to death by the truth of God's promises in His Word
 - Pray for Pastor Jo's previous congregation, that God provides them with the pastor he has chosen for them
 - Clarity in the development of a new Adult Spiritual Growth study that inspires us to seek after God
 - Pray for clarity in the best way to reach outsiders and visitors – pray that people connect, ask questions, and find God at Resurrection
 - Prayers for a successful outreach party on May 5th - let us reach those in our community who may be searching for more. That RLC people spread their wings and invite. That pastor's message reaches those that need to hear it. That the good is good and fun is had by all
 - Pray for the Children's Ministry that God will guide Andrea and Ruth Ann in developing new programs for the kids and their parents
 - God will provide for Resurrection's financial needs with abundance
 - Pray for new volunteers for the worship center decorating team
 - Pray for strength and good health for our pastors and their families
 - Guidance in our adult ministry programming that follows God's plan for Resurrection
 - Pray the children's ministry would maintain its pre Christmas numbers and have 100 or more kids each week
 - Pray for the FPU program to be successful and one person or couple would be willing to create a testimony video to God's glory
 - Prayers for Resurrection members feel God's calling to step up into roles and leadership within each ministry that fits their gifting
 - During the sermon, pray for the ears and eyes of the congregation to hear what God is speaking to them personally
